# Valvular Heart Disease

**Bruce W. Andrus, MD, FACC**  
Dartmouth Medical School, Hanover, NH, USA.

**John C. Baldwin, MD**  
The CBR Institute for Biomedical Research, Boston, MA, USA.

## **Description:**

The authors aim to provide a concise and straightforward guide to the recognition and management of valvular heart disease, complemented by current guidelines and abundant high quality images. This book will be a valuable reference for all involved in the care of patients with valvular heart disease, including cardiologists in practice and training, young hospital doctors, general physicians, cardiac nurse specialists, and medical students.
