A Colour Handbook Gastroenterology

2nd edition

Ralph A. Boulton, MBBS (Hons), PhD, MRCP
University Hospital, Birmingham, UK

H. J. F. Hodgson, DM, FRCP
Hammersmith Hospital, London, UK

Sanjeev Gupta, MD
Albert Einstein College of Medicine, New York, USA

Claire Cousins, BMS (Hons), BMBS, MRCP (UK), FRCR
Addenbrooke's Hospital, Cambridge, UK

Description:

A convenient and user-friendly handbook of clinical gastroenterology providing systematic yet concise coverage of the diseases and disorders of the digestive tract. The wide experience of the authors' background in both clinical gastroenterology and imaging is reflected in the informative text which is illustrated with colour photos, imaging and diagrams of the highest quality. The book will appeal to those preparing for higher qualifications in gastroenterology and general medicine, and to physicians and medical students who want a handy general reference source to problems of the digestive system.

Contents:
