### Bosseau Murray

Department of Anaesthesia, Pennsylvania State University, Hershey, USA.

## Description:

The authors cover all aspects of anaesthesiology, and approach medicine and surgery in general from the anaesthetist's point of view. The book contains over 200 illustrated self-assessment cases aimed at senior medical students and anaesthesiologists in training, working in surgery, intensive and critical care. The questions and detailed explanatory answers are integrated throughout, all illustrated by superb photos and diagrams.
