Self-Assessment Colour Review

Wildlife Medicine and Rehabilitation

Anna Meredith, MA VetMB CertLAS CertZooMed MRCVS
Royal (Dick) School of Veterinary Studies, University of Edinburgh

Emma Keeble, BVSc CertZooMed MRCVS
Royal (Dick) School of Veterinary Studies, University of Edinburgh.

Description:

Veterinarians increasingly encounter wildlife casualties in practice and have a duty of care for the welfare of the animals. This comprehensive and easy-to-use self assessment book contains some 208 clinical cases with 325 illustrations. It has been compiled by authors with a wide range of experience and expertise in this area.

Common conditions seen in wildlife species are covered with cases from Europe, North America, the Middle East and Australia. The selection of cases is presented randomly and covers scenarios relevant to most readers.

The book is of value to veterinarians in practice and training and to all those working directly with wildlife who wish to expand their knowledge in this field.

240 pp
210 x 148mm
325 Illustrations, colour
Paperback
ISBN: 978-1-84076-146-7
Price: £24.95
