A Colour Handbook Heart Failure

Michael Sosin, MRCP

Queen's Medical Centre, Nottingham, UK

Gurbir Bhatia, MRCP

City General Hospital, Stoke-on-Trent, UK

Gregory Lip, MD FRCP FACC FESC

University Department of Medicine, City Hospital, Birmingham, UK

Michael Davies, BA MB BCHIR MA MRCP MD FRCP

The Queen Elizabeth Hospital, Birmingham, UK

Description:

Using a strong evidence-based approach, the authors aim to present a detailed overview of the syndrome of heart failure. They cover diagnosis, investigation and treatment options and includes a special chapter for primary care. The text is fully illustrated in color with photos, radiographic images, diagrams, electrocardiograms and echocardiograms. A practical reference source and an educational support, this book is of interest to cardiologists and general physicians in training, as well as senior medical students.
